

Have you heard the Baltimore Orioles train in Sarasota? We are proud to say that for the duration of their stay in our sunny state they will be enjoying Peperonata Fresh Whole Wheat Pasta! Thank you to Digiovanni Food Service Inc, a local business, who chose us as one of their sources for healthy food to feed the Orioles during their training. It is really wonderful to say that the Orioles is eating Whole Wheat Fresh Pasta, which shows their dedication to eating healthy, fresh, and natural.
