

Thanks for all the people who take the time to write us an email always with good words, this an email from lasts week: I just wanted to say thank you. I had a small dinner party tonight and made fettucine alfredo using your basil garlic fettucine. It was fantastic. Even though the pasta was green it didn't matter cause the flavor of the pasta and the alfredo sauce was incredible. Thank you for making the wonderful pasta you do!! We really enjoyed it!
